Innovation-X Collection

Spark Creativity in Any Space.

Innovation-X tables are designed to meet the demands of modern learning and collaboration, offering a spacious work surface and unparalleled durability. Available in a variety of shapes, including standard and amorphic designs, our Innovation-X tables cater to diverse needs and preferences.

The fixed-height legs offer three heights—30 inches, 36 inches, and 40 inches— they provide the flexibility to accommodate everything from group science experiments to individual artistic endeavors.

- Modern industrial multi-purpose table
- Unique Vertangular X leg structure
- 30", 36" or 40" Work surface heights
- Dual-Lock casters allows table to be fixed or mobile
- Laser cut leg system made in USA
- Choice of 5 powder-coated frame colors
